

Directions to EB Village Hall 24.08.26 for 12 months

Current Access Status & Disruptions at East Bridgford

- **Major Junction Works:** Nottinghamshire County Council is carrying out major junction improvement works and road widening at the nearby Kirk Hill and East Bridgford Road junction A6097. All traffic will need to revert to single lanes at Gunthorpe Bridge. There are also works near the Lowdham roundabout and all this will mean delays
 -
 - **Road Closures:** Kirk Hill into East Bridgford at the traffic lights and East Bridgford Road to Newton from the traffic lights are closed for 12 months (started August 24, 2026), which impacts surrounding local traffic and routing.
 -
- Check Live Status:** You can view real-time restrictions and live traffic mapping on the [One.Network Roadworks Map](#) before setting out.
